

ENDAMR 1ST NETWORK-WIDE TRAINING MEETING

DATE 11-13 May 2026

VENUE GIMM (Rua da Quinta Grande 6, 2780-156 Oeiras, Portugal)

Day 1 - May 11

09:00	11:00	Supervisory Board Meeting
11:00	11:30	<i>Coffee Break</i>
11:30	12:30	Fellows Meeting with Project Manager
12:30	14:00	<i>Lunch</i>
14:00	14:15	Welcome to the 1st network-wide training event
14:15	15:15	Seminar: Bacterial gene functions - an untapped treasure trove
15:15	15:30	<i>Short Break</i>
15:30	16:30	Seminar: Understanding evolution of antibiotic resistance
16:30	17:00	<i>Coffee Break</i>
17:00	18:30	Keynote: Oldies but goodies: What makes Beta-lactams so effective? (Mariana Gomes de Pinho, ITQB NOVA)
18:30	20:00	<i>Free time (GIMM facilities tour)</i>
20:00		<i>Dinner</i>

Day 2 – May 12

09:00	09:30	Introduction of research teams to PO – tour de table
09:30	10:00	REA Project Officer Presentation
10:00	10:30	<i>Coffee Break</i>
10:30	11:15	Coordinator's Report
11:15	11:45	Restricted Session: Coordinator, Beneficiaries, AP with PO
11:45	12:45	Restricted Session: DCs with PO
12:45	14:00	<i>Lunch</i>
14:00	15:30	Workshop: Grant-ready career planning
15:30	16:00	<i>Coffee Break</i>
16:00	18:30	DCs Poster Session
18:30	19:00	Final Feedback Session by PO
20:00		<i>Dinner</i>

ENDAMR 1ST NETWORK-WIDE TRAINING MEETING

Day 3 – May 13

9:00	10:00	Seminar: Molecular mechanisms of bacterial pathogenicity
10:00	10:30	<i>Coffee Break</i>
10:30	11:30	Seminar: Experimental ecology and evolution in microbiomes
11:30	12:30	Seminar: Modelling microbial behaviour under antibiotic perturbations
12:30	14:00	<i>Lunch</i>
14:00	15:30	Seminar: Proteomics experimental design and sample preparation
15:30	16:00	<i>Coffee Break</i>
16:00	17:00	Seminar: The AMR landscape: industry, entrepreneurship, and advocacy
17:00	18:00	Seminar: Science education and public engagement actions
18:00	20:00	<i>Free time</i>
20:00		Dinner
